Rooisand, 14<sup>th</sup> of May 2008

Rooisand is a different destination in a special country, situated at the foot of the mighty Gamsberg (2347m) on the edge of the Namib Desert, halfway between Windhoek and Walvis Bay, on your way to Sossusvlei. Rooisand is located between red Kalahari dunes, endless grassy plains and rocky mountains – not your typical stop over – a definite holiday destination. You will find comfort and tranquility at Rooisand with 6 double and 3 single en-suite rooms as well as a private full-service self catering house on a mountain edge overlooking horizons and mountain ranges. Rooisand is a restful destination in rolling hills with game species such as kudu, mountain zebra, gemsbok etc, as well as a wide variety of bird species.
