

## ROOISAND CC DESERT RANCH & HOLIDAY CLUB

### Arrival Rooisand by Car

Rooisand-Desert Ranch - located rather precisely on half the way between Windhoek and Walvis Bay at the Atlantic-coast. The distance to Rooisand from Windhoek is about 175 kilometers and this distance is – also in gravel-track-speed - after 2-1/2 hours comfortably driven.

Leave the center of Windhoek on the C26 in western direction. Shortly after leaving Windhoek you cross the copper-mountain-pass and the farm Amani (left hand side). After approximately 30 kilometers drive left and still follow the C 26 in direction Walvis Bay/Gamsberg-pass.

After crossing the Gamsberg-pass (please drive carefully, especially when the gravel road ist wet, or it is raining), it still requires about 30 Minutes, then you have reached Rooisand Desert Ranch.
