Decentralization of payment of park fees

The Department of Wildlife and National Parks wishes to inform all its valuable customers that the payment of park fees has been decentralized. Visitors to our national parks and game reserves (Chobe National Park, Moremi Game Reserve, Makgadikgadi/Nxai Pans National Parks, Central Kalahari Game Reserve, Khutse Game Reserve and Kgalagadi Transfrontier Park) can now pay all park fees in advance at central pay points in Gaborone, Tsabong, Ghanzi, Kang, Letlhakane, Maun, Kasane and Francistown. We accept visa and mastercard for payment of park fees.

As a result of the above development, the Department will no longer be accepting payments of park fees at entrance gates to all our national parks and game reserves with effect from 1st January 2009.

For more information, please contact Department of Wildlife and National Parks at Telephone No. (267) 3971405 or Fax No. (267) 3912354.

Any inconvenience caused is greatly regretted.
