

# How to get to Sanddrif...

## **A FEW HANDY HINTS:**

1. The last 47km (from the turn-off on the N7) is on corrugated GRAVEL ROAD.
2. The nearest places to buy fuel is Clanwilliam, Citrusdal or Ceres. We advise FILLING UP before taking the CEDERBERG / ALGERIA turn-off
3. You will not have any cellphone reception once you enter the CEDERBERG. We have two public phones on the property.
4. If you arrive after office hours your key will be left in the door of your cottage.
