

The Nephilim Giants in Prehistoric Afrika.

"There were Giants in the Earth in those days; and also after that, when the Sons of God came in unto the Daughters of Men and they bore children to them, the same became mighty men which were of old, Men of Renown". Genesis 6-4.

In other words, according to that statement, the 'Giants' were already here on Planet Earth when the Anunnaki first arrived -- they were known as the 'Rmoahal Race', they would also become an ally of the Anunnaki.

The Fourth Root Race, was the fully human Atlantean civilisation, the legendary 'Super-race'. It must be noted that one Race does not simply vanish at the beginning of the next, but declines slowly and does not become extinct until well past the middle of the next one.

Each 'Root Race' is comprised of 'Seven Sub-Races' and it was some of the first sub-race that moved to mainland Atlantis, others stayed behind in Ancient Afrika and inter-bred with the Lemurians (the Third Root Race) to produce a race who looked like blue skinned American Indians.

The "Rmoahals" were black skinned and stood between 10 and 12 feet tall and waged continuous war with the remaining Lemurians. As time went on some of them moved to the North of Atlantis where their skins became lighter and their stature shorter --- because of their huge stature the Rmoahals were used as bodyguards by the Chieftains of Ancient Afrika.

Above is the killing of a Nephilim Giant at Diana's Vow, Zimbabwe. Note the position of the legs. His wife lies next to him.

"When people began to multiply on the face of the ground, and daughters were born to them, the sons of God saw that they were fair; and they took wives for themselves of all that they chose. Then the Lord said, 'My spirit shall not abide in mortals forever, for they are flesh; their days shall be one hundred twenty years.' The Nephilim were on the Earth in those days -- also afterward -- when the Sons of God went in to the Daughters of Humans, who bore children to them. These were the heroes of old, warriors of renown." Genesis 6:1-4.

Thus, from the above source the "Nephilim" are the "Sons" of the union between the "Sons of God" -- the Anunnaki -- and the "Daughters of Man". There again it also states "The Nephilim were on the Earth in those days -- also afterwards".

It is entirely possible the 'Rmoahal Race' and the 'Nephilim' were both the same race and were integrated into the Race of Giants created by the 'Sons of God'.

Above -- The giant Nephilim at Lake Chivero, Zimbabwe. The Igigi herds the Little People on the bottom of the picture whilst the Afro-Atlanteans look on. The five beings at the top right of the picture are the Lemurian Race. It was their DNA crossed with Anunnaki DNA that was to produce the "Slave Race" (the Little People).

Inevitably, as in all slave cultures, a rebellion must happen. On many examples of 'Rock Art' in Southern Africa there is depicted the slaying of the 'Giants', the painting below is in Zimbabwe -- the "Land of mines".

The slaying of a Nephilim Giant in Zimbabwe by a group of Lemurians, identified by the shape of their forehead and the snouted face. Note the position of the Giant's legs. This particular posture is portrayed on many "Death Scenes" throughout Southern Africa.

When the Anunnaki eventually departed the mining fields of Ancient Afrika they left behind four different Races of Beings. The first was the Reptilian Race who were the 'Slave Masters' of the thousands of Hybrid Humans created to work the multitude of mines. The second were the Afro-Atlanteans who were the original inhabitants of the land. The third Race were the "Little People" who were created to work the mines and now had no 'Master'. They would eventually integrate into other African races such as the Bergdama and the Bushman. The Fourth Race was the Nephilim -- a Being of Giant stature and hated by all. The Nephilim Giants were then systematically wiped out.

These were the 'Giants' of Ancient times, and most probably, Goliath, who was mentioned in Biblical times was the last remaining Ancestor of the Legendary Rmoahal Race.

This is a small excerpt from the book -- "The Anunnaki Gods of Ancient Afrika".
